OBJECTIVE

Seeking a position as an animator/modeler/layout artist where I can develop my skills and contribute by working on leading edge properties. A desire to broaden my expertise so that I can take on increasingly greater responsibilities.

STRENGTHS

A quick study, strong people skills, team player or team leader when required.

Myers Briggs Personality Testing conducted by Human Resources Department at Franciscans International. ENTP (*Extroverted iNtuitive Thinking Perceiving*) personality type. ENTP abbreviated definition by myersbriggs.org: *“Quick, ingenious, stimulating, alert, and outspoken. Resourceful in solving new and challenging problems. Adept at generating conceptual possibilities and then analyzing them strategically. Good at reading other people. Bored by routine, will seldom do the same thing the same way, apt to turn to one new interest after another.”*
